

Unexpected Blessings

Early this fall, a couple we have gotten to know, stopped by to see the progress on Mike's parent's house. We had a great visit, and they had several questions about how things are going at ABC Life Choices. I shared how the ministry is growing and we are enjoying our work there. They specifically asked about our ultrasound machine. I shared how it is a great tool, but at the same time it is starting to show it's age. We have had it for almost 5 years and we all know how rapidly technology changes. It is getting time to upgrade. However, we had not started fundraising for that yet....maybe next year.

About a week later, I ran into the wife at church and she asked, "Do you know the exact amount a new ultrasound machine would cost?" I was surprised, but Colleen (ABC's Executive Director) and I had actually already had conversations about a specific machine we were dreaming about, so I replied that I would get an exact quote for her. It was a busy week for me, as ABC Life Choices had asked me to attend a NIFLA (National Institute of Family and Life Advocates) Conference in CA. While at the airport in Anchorage, on my way to the conference, I called her back and gave her the exact number of over \$28,000. I was brought to tears in the middle of the airport, when she stated that her and her husband felt strongly about this ministry and would have a check in the mail before the end of the week for the **full** cost of the machine!!!! I still get goose bumps when I write this and I am in awe of our God who cares so much He answers a prayer before we even ask. Ephesians 3:20 says, "**Now to him who is able to do far more abundantly than we ask or think, according to the power at work within us.**"

Michael and I stand in amazement at how God continues to go before us... not just with the unexpected provision of funds for a new ultrasound machine, but how He continues to provide for our family through faithful supporters like you. We stand in awe as year after year as we see churches, families and individuals commit to pray and give financially to the ministry that we feel so blessed to be a part of! We count it a huge privilege to be able to serve the Lord through full time ministry at ABC Life Choices. From the bottom of our hearts we want to say **Thank You** to our support team. We could not be here serving in Alaska without all of you behind us!

The new Alpinion E-Cube 8, is ordered and we are excited for it to arrive in January!

Isaiah 9:6 "For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."
