Dear Brad,

I'm so excited to share our fall issue of HopeNotes with you! There's a lot happening across HopeKids, and this issue is packed with stories that show the heart of our community. You'll read about moms in Minnesota who found friendship and encouragement at a floral designing event, families in Arizona, North Carolina, and Middle Tennessee who enjoyed unforgettable nights at the ballpark, and the launch of our brand-new Central Florida chapter. Plus, you'll get a sneak peek at how our chapters are gearing up for the holidays with toy drives, festive parties, and winter activities.

As always, thank you for being part of the HopeKids family. We hope you enjoy reading about the many ways your support brings hope to families who have a child with a life-threatening medical condition.

With hope,

Brian Anderson, Executive Director
HopeKids Minnesota
