## Summer Missions

This summer 40 people from Valley are headed to TN for disaster relief but they need YOUR help to get there! As of February 28, we have raised \$8789 which is 29% of our goal of \$30,000. Click the button below to give to the missions fund (be sure and choose the missions fund from the drop down menu).

## 2025 Summer Camp Info

Summer camp info can be found here: <https://www.valleycc.org/2025-summer-camp.html>. Are you sending your kids to camp this summer? If so, please add your child's name to the transportation sign-up in the atrium. Valley is not promising rides but we are hoping this will help us coordinate carpools and have a central place for camp attendance info.
