

Emanuel Mexico Mission (EMM) is sad to announce the resignation of Andrew & Rachel Dustman as our Missionary House Parents for Casa de Niños (CDN). We thank Andrew & Rachel for their time with EMM and pray for God's blessings and discernment for their next endeavors.

What does this mean for our mission?

1. Our ministry to the abandoned, abused and homeless children of San Luis Potosí, Mexico will continue as will the work of Ontañon Church of Christ.
2. We are disappointed that the goal of opening CDN to children in August 2025 was missed. However, EMM remains committed to achieving our mission,
3. The Board of Directors is actively praying and working to fill this position in our ministry.
4. We will keep you all informed of our plans and progress in the near future.

More than ever, we thank you in advance for your prayers:

- God's leading and discernment as we move forward,
- The Holy Spirit would touch the hearts of potential Missionary House Parents and move them to explore this critical position,
- The children of San Luis Potosi. Protect them and show them Hope in the light of Jesus Christ.

We welcome any questions that you may have at the contact information listed below.
