Valley Family,

Thank you is not enough to truly show our graditude to you all for everything you've done, and continue to do for our family. In our darkest time, You were with us. Praying for us, Pleading on our girls behalf. Thank you. We felt lost our world stopped and got turned upside down. Yet our church family checked in on us, gave financial help, fervently prayed over us, Wendy & Lula Mae, the doctors. my parents. our MARC family. What a Joy to call you family! Being raised and attending Valley for 27 years - before going to Alaska - You are our family!

Thank you so much for lifting us up and loving us. We were blessed by the Lord that He allowed us to truly feel peace, comfort knowing you all were behind us in support. Wendy & Lula Mae were with us for such a short time but what joy we have knowing they saw Jesus the moment they opened their eyes. our days are getting better slowly but the journey has just →
