

# HopeKids®

Restoring Hope. Transforming Lives.

Dear Prayer Warriors,

Spring has sprung and we are hoping for no more snow storms! ;) We are also hoping for health and healing for our HopeKids and their families. Below are some specific prayer requests and the May Prayer Calendar is attached. We thank you for your continued support and prayers for these precious families!

## **HopeKids Chase**

Please pray for Chase that his doctors find answers and he recovers quickly!

## **HopeKid Talitha**

Please continue to pray for Talitha that she stays stable and stops bleeding randomly.

## **HopeKid Boaz**

Please pray for Boaz as he is starting to have fluid buildup in his abdomen and is very uncomfortable. Prayers are appreciated for good rest for him, growth, and no more swelling.

## **HopeKid Dad Glen**

Please pray for one of our HopeKid Dads, Glen. He was diagnosed with a brain tumor after having a seizure at home. Please pray for healing and for the doctors to do what treatment is best after his surgery.

## **HopeKid Parker**

Please pray for Parker as they have had some troubling, unexpected changes in his brain and his team doesn't know why. Also pray for strength for his family as they are having a difficult time processing this news.

**CONTINUED ON OTHER SIDE >>>>>**

### **HopeKid Gina**

Please pray for Gina as she is undergoing chemo for Stage 3 Hodgkin's Lymphoma. Her last scans showed the cancer has spread to a new area in her stomach. Pray the doctors choose the correct treatment for her and that her body accepts it and shrinks her tumors.

### **HopeKid Christopher**

Please pray Christopher as his health is declining and his family is looking at starting hospice cares. Also pray for strength for his whole family.

### **HopeKid Jensyn**

Please pray for Jensyn as she just returned back in the PICU after being home for just three weeks from her last stay. Pray she does not have to be intubated again and that she won't give up fighting!

### **HopeKids Mom Lindsay**

Please pray for one of our HopeKid Moms, Lindsay, as she severely injured her back and will need surgery this week. Please pray for steady hands for the doctors and fast healing.

With hope,

### **Ariel Lindahl, Family and Community Manager**
