

## **FAMILY TABLE ACTIVITY NOVEMBER 18, 2020**

Here are two ways to express thankfulness for some of our Valley family members---choose one or do both. Enjoy!

### **Valley Family Thank You Game**

This is a play-and-pray sort of a game! See below for details.  
(It's a good primer for sending a thank you. :)

AND / OR

### **Send a Thank You**

Choose one person (or more) to thank directly.  
Be specific about why you're thankful for them!  
Here some are ways to express thanks:

- send them a tiny video of your family saying thank you
- mail them a card or hand drawn picture
- do a good deed for them

### **Find addresses at [www.valleycc.org](http://www.valleycc.org)**

Under "Resources" find Valley Directory and instructions for getting the password.

## **VALLEY FAMILY THANK YOU GAME**

### **GAME PREP**

Print next page and cut into strips (one sentence per strip).  
Fold strips in half and put in bowl in middle of table.

### **HOW TO PLAY**

Take turns drawing one strip of paper from the "Give Thanks" list. Player tries to respond to the prompt without help. This list can help your family give thanks for someone who fills each role. If possible, turn response into a quick prayer of thanks to God. There's no pressure to get through the strips in one setting. Have fun doing more than one session!

YOU MAY THINK OF OTHERS.**
