

# Small Groups - Fall 2023

Small groups are a vital part of a Christ-centered community within Valley, forming *κοινωνία* while living out God's kingdom on Earth. Below is a list of groups during the Autumn 2023 quarter, which begins the week of September 17.

People interested in joining a group should try to explore groups no later than the end of September, after which point groups may be closed for the rest of the quarter. To learn more about a group, email its leaders, click link, or scan the QR code.
