Interactive Worship

During Interactive Worship, you are invited to participate in these ways:

THE LORD'S TABLE

All Christians, regardless of denominational background or affiliation, are welcome to participate. The communion juice is non-fermented, and the bread is gluten-free. Come to the front of the Worship Center (using the side aisles) where our servers will serve you. Discard your empty cup on the communion table and return using the center aisle. Pre-packaged bread and juice are available on the prayer tables at the back of the worship center.

PRAYER

PRAYER TABLES

Visit a prayer table at the back of the worship center. Fill out a prayer card with your requests, thanksgivings, and/or praises. The Valley family will pray with you. You can also spend time now praying through the cards that have been written. Prayer requests and praises are always welcome by emailing prayer@valleycc.org and in our private Facebook group—ValleyCC Private Group.

PERSONAL PRAYER

The Prayers of the Church leaders will be at the back of the Worship Center. They would love to pray with you in person.

TITHES & OFFERINGS

Financial giving is an expression of our worship and gratitude to God. Giving Baskets are on the prayer tables at the back of the worship center. You can also give online | valleycc.org | Click on the GIVE tab to get started.

March Financial Health Update

At the annual meeting in August 2022, the Elders committed to providing more frequent updates regarding Valley's financial health. We're taking this fifth Sunday as an opportunity to do that using two familiar metrics.

Net Revenue

(All income minus all expenses)

- At last reporting (Sept-Dec), we had a net revenue of nearly \$13,000.
- As of the end of March, 7 months through the FY, we have a net revenue of over \$30,000.
- At this time last year (Mar 2021), we were at a *loss* of nearly \$40,000.
- This is excellent improvement!

Weeks in Reserve

(How long can we cover expenses without any new income)

- After adjusting cash levels in each account to maximize interest earned, we ended last fiscal year with eight weeks in reserve.
- As of last month, we have 8.5 weeks in reserve.
- This metric changes slowly, so any improvement is excellent!
