Interactive Worship

During Interactive Worship, you are invited to participate in these ways:

THE LORD'S TABLE

All Christians, regardless of denominational background or affiliation, are welcome to participate. The communion juice is non-fermented, and the bread is gluten-free. Come to the front of the Worship Center (using the side aisles) where our servers will serve you. Discard your empty cup on the communion table and return using the center aisle. Pre-packaged bread and juice are available on the prayer tables at the back of the worship center.

PRAYER

PRAYER TABLES

Visit a prayer table at the back of the worship center. Fill out a prayer card with your requests, thanksgivings, and/or praises. The Valley family will pray with you. You can also spend time now praying through the cards that have been written. Prayer requests and praises are always welcome by emailing prayer@valleycc.org and in our private Facebook group—ValleyCC Private Group.

PERSONAL PRAYER

The Prayers of the Church leaders will be at the back of the Worship Center. They would love to pray with you in person.

TITHES & OFFERINGS

Financial giving is an expression of our worship and gratitude to God. Giving Baskets are on the prayer tables at the back of the worship center. You can also give online | valleycc.org | Click on the GIVE tab to get started.

VOLUNTEER SPOTLIGHT: SARA MORAN

Sara Moran has been attending Valley for eight years and believes volunteering is essential because every little thing we do for each other helps. She also loves getting to know people and doesn't mind getting your coffee going in the morning because she runs on the stuff too! Sara is thankful for all of Valley's volunteers because she can't serve unless others are serving, especially those that are on Team Cody. When someone is spending time with her son with special needs, she can serve in the nursery. Sara loves spending time with her kids and going on adventures. When she is not at Valley or with her kids, she loves exercising her science muscles working in a hospital laboratory or turning music up loud to sing and dance to! Thanks for volunteering at Valley, Sara.
