## Interactive Worship

**During Interactive Worship, you are invited to participate in these ways:**

### THE LORD'S TABLE

All Christians, regardless of denominational background or affiliation, are welcome to participate. The communion juice is non-fermented, and the bread is gluten-free. Come to the front of the Worship Center (using the side aisles) where our servers will serve you. Discard your empty cup on the communion table and return using the center aisle. Pre-packaged bread and juice are available on the prayer tables at the back of the worship center.

### PRAYER

#### PRAYER TABLES

Visit a prayer table at the back of the worship center. Fill out a prayer card with your requests, thanksgivings, and/or praises. The Valley family will pray with you. You can also spend time now praying through the cards that have been written. Prayer requests and praises are always welcome by emailing [prayer@valleycc.org](mailto:prayer@valleycc.org) and in our private Facebook group—ValleyCC Private Group.

#### PERSONAL PRAYER

The Prayers of the Church leaders will be at the back of the Worship Center. They would love to pray with you in person.

### TITHES & OFFERINGS

Financial giving is an expression of our worship and gratitude to God. Giving Baskets are on the prayer tables at the back of the worship center. You can also give online | [valleycc.org](http://valleycc.org) | Click on the GIVE tab to get started.

## MISSIONS MOMENT: GOCORPS

GoCorps is a mobilization and placement agency centered around the Tithe Your Career movement. We help Christian young adults tithe their time and talents by using their degree in two-year global placements serving with long-term missions teams and projects.

GoCorps serves as the connector, coach and catalyst in the process. As a partnership of 15 missions organizations, GoCorps handpicks the best teams and placements that are a fit for discipling and mentoring recent grads of all backgrounds. We streamline the whole process by creating a universal application and removing common barriers for young adults.
