

Small Groups - Winter 2024

Small groups are a vital part of a Christ-centered community within Valley, forming *κοινωνία* while living out God's kingdom on Earth. Below is a list of open groups during the Winter 2024 quarter, which begins the week of January 7.

People interested in joining a group should try to explore groups by the end of January, after which point groups may be closed for the rest of the quarter.
